# INTAGLIO: Copper Plate Etching

**Mondays, May 18 - July 13\*, 2009, 6:30-9:30pm**

**\$230 APS members / \$240 non-members**

**Instructor: Kathy Garrou**

For centuries artists have been making marks on copper to create fine art prints. Come learn the various aspects of this wonderful medium including preparing plates, using hard and soft grounds, aquatints, step biting, proofing, editioning, and registering multiple plates.

This course is geared for beginning students, as well as those who already have some intaglio experience and wish to hone their technical skills. Participants will work one on one with the instructor to look at the student's current and past work (that may include recent prints and drawings, ideas, sketchbooks, digital images, or whatever is comfortable for you) and discuss what you would like to accomplish.

Taught by Atlanta-based artist Kathy Garrou. She prints limited editions for other professional artists, teaches classes/workshops, exhibits her art and continues to explore new printmaking techniques with an emphasis in intaglio and monotype.

Students will need etching needle, burnisher, scraper, copper plate(s), newsprint, and printing paper.

For questions, contact Kathy Garrou at 404-377-7294
